

The President's Corner

As this month unfolds, the big event is our 25th Anniversary Celebration Party at the home of

Rich and Susan Frieder. Have you invited a guest to attend with the potential of adding a new member to our ranks? This will be our first social event of the year and certainly one not to be missed.

Our club must project an image that will make qualified people want to join. Publicize our service projects to attract new members. Some prospective members will admire our work with the kids at Esperanza. Others may view our club as an effective channel for working with youth in the Interact Program. Still others may be attracted by the internationality of our club projects of the Libano Barrio and Corazon.

With this in mind, preparation has begun for the annual Esperanza Pancake Breakfast Benefit for the Special Olympics team from Esperanza. This fits the "New Generations Month" theme for youth service. This is a fun event that gives us all an opportunity to extend ourselves to those in the community that need extra love and caring. This is an example of what it means to be a Rotarian.

Let's get the word out to the community and invite future Rotarians to our events. Be proud and excited for the future of the Rotary Club of Mission Viejo as we embark on the next 25 years!
