

OUR COLOMBIAN CONNECTION PAYS TRIBUTE TO MISSION VIEJO ROTARY

Father Brian Cooper CSV, Incoming President of the Rotary Club of Libano, Colombia gave a very vivid report on not only the conditions in the Libano Barrios but how much our club has helped in our joint World Community Service project with the Rotary Club of Libano, Colombia, South America. Brian also paid tribute to our club as the prime force in encouraging stability and growth in the Libano Club.

Father Brian expresses his thanks to our club's generosity which has helped feed the many hungry families in Libano

Brian, brought with him, three students from Colombia on a cultural tour.

A RELUCTANT GOODBYE!!

Len and Muriel White are retiring to a ranch in Montano which is the good news...the other news is that they will miss our friendship and we wish them a very happy new life and what about the snowing and blowing of the winter months?...well they have a solution for that by also owning a home in Sun City, Arizona. Len has promised to send us his new address. Shown is President Bill presenting a very special plaque honoring Len's years of service with our club. Len joined us in 1995. We will miss you folks!!
