## President Ross Announces New Club Service Activity with Bob Bridges as Chairman:

### The Family of Rotary Committee

Like most families, the Rotary family provides a haven where we can gather the strength and encouragement to face the challenges of the world. It offers comforting traditions, asking that we honor those who came before us and celebrate our newest arrivals.

Our clubs are where we find the core of our Rotary family, and it will be the responsibility of each and every Rotary club to find more ways to create and nurture an atmosphere of warmth and caring within their club.

One way we can do this is to extend our caring reach beyond each Rotarian to include that Rotarian's spouse and children. Throughout the Rotary world, our younger members tell us that they don't like to feel that Rotary time competes with family time. If we support opportunities to include families in fellowship and service events, then there is no conflict. In such an atmosphere of family and caring, the death of a Rotarian should not be the end of Rotary's relationship with his or her family — certainly there are ample opportunities to include a deceased Rotarian's family in Rotary-sponsored events. The Family of Rotary Committees will help us find even more ways to foster a family atmosphere within our clubs — because such an atmosphere makes our good work outside of our clubs possible.

The Family of Rotary Committees will also support our ongoing mission to grow and strengthen our membership. We have ample evidence from our membership campaigns that we are quite good at attracting new members. But we have some work to do when it comes to retaining them. And that work is critical, because our organization depends on committed, knowledgeable and seasoned members.

### RI President Jonathan Majiyagbe

#### BUILDING 30 HOMES IN LIBANO

PPGeorge Cooper stood in for his son, Father Brian Cooper who was called unexpectedly to celebrate a Funeral Mass for Margaret's brother. Architectural plans were submitted and reviewed along with a summary of this past year's projects:

1210 Food Packages 1210 Cans of Milk  
1240 lunches for children  
600 prescriptions filled  
7200 peanut butter and jelly sandwiches  
400 School supplies  
50 Eye Exams and 50 lice head washing

The club presented a check for \$2900 to be used for the Building Fund. This check was the proceeds from the Lasik Surgery donation by Dr Tooma and Dr Frieder. Thanks to Dr Jerry Gross who won the bid!

## Rotary International Convention Brisbane Australia June 1-4 2003

This year our now President Ross Boling along with his family attended the convention. Also in attendance was Pushpa and Nanik Chandwani.

Ross reported that now President **Jonathan Majiyagbe** emphasized the new Family Program (see his message to the left) and increase social activities within our club as he noted that newer members are younger than most of us and so it is very important that we invite their families to join us in Rotary fun! President Jonathan also announced the new theme for our Rotary Year 2003-04:

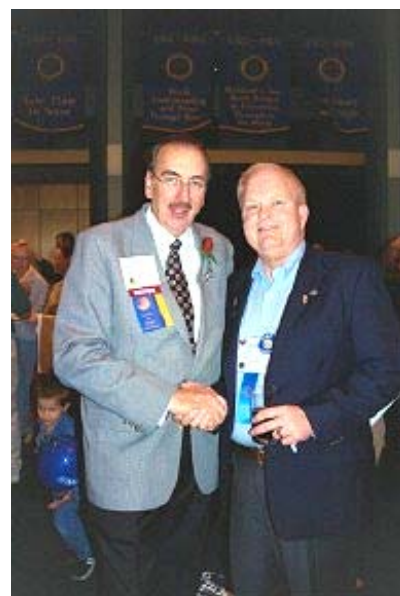

**Lend a Hand**

Pushpa reported that she discussed the possibility of forming a new fellowship for Doctors.

Ross will give us a full report at a meeting soon.

My daughter Meredith, Ross, and Jose Alfredo Pretoni and his wife, RI Foundation Trustee, San Paulo, Brazil.

Rotary International Past President Frank Devlyn and Ross

## CLUB PRESENTS COMMUNITY SERVICE SCHOLARSHIPS TO HS STUDENTS

Our club presents six deserving students, \$400.00 each to help them with their college tuition. These scholarships are to honor the students for their fine work in Community Service.

Top photo shows President Ross Boling presenting the awards to two students from Trabuco High School.

Middle photo shows Past president Victoria Avery awarding two students from Mission Viejo High School

Bottom photo shows our treasurer Jack Wallace either looking for the second student or the check just as the photo was taken. Student is from Silverado High School. The second student was unable to make our meeting but did receive a check!

A good example of where your Charity Funds go to enhance our Community. Each year we budget this Community Service Activity.

### REPORTS FROM THE JUNE BOARD MEETING

**Blind Childrens Learning Center:** Wallace presented materials on this group and recommended that the Club consider supporting this worthwhile Center. A speaker from the BCLS will present program on July 1. Upon MSC the Directors voted to present \$500 check to the speaker.

**Angel's Baseball game:** Droege reported that we have purchased 50 tickets for the August 1 game. It is Friday night with fireworks show. Cost is \$8. Appears we have sold out the event.

**Centennial Community Project** Boling reviewed Clubs involvement in the Oso Reservoir in partnership with Boy Scouts. Directors discussed cash commitment and funding sources for the project. Boling said he and Mugg met with the Boy Scouts and feel that the group has established a good working plan for the reservoir.

**4th of July Street Fair:** McQueen reported that the event is in the capable hands of Dennis O'Connor and Steve Mugg. Ben & Jerry's will not be involved now or in the future. Club needs another Ice Cream source.
