CAMP ROTARY

OSO LAKE ROTARY CENTENNIAL PROJECT

Report From Business meeting : Incoming President Steve Mugg reviewed our plans for our Camp Rotary Centennial Project at Lake Oso answering a number of questions and reporting the following:

1. This is a two year plan and with an anticipated allocation of up to \$15,000 in funds which is scalable.
2. We will be working through the Boy Scouts of America who will be signing either a 25 year or 50 year lease with the Santa Margarita Water District who owns the land and the lake.
3. Boy Scouts of America will have the responsibility of attracting community organizations to help develop the grounds as basic camp sites for tenting.
4. Our Rotary Club has been invited to develop the first site which will be at the entrance and will reflect the overall development of the project. There are only three sites available because of the terrain and so our site will have the uniqueness of being first and most visible as it is at the entrance.
5. All maintenance will be the responsibility of the BSA.
6. We will not be funding any infrastructure other than our campsite.
7. We will have complete control over the funds allocated. Funds will not be paid to the BSA
8. Our club will have no future financial obligations or legal contractual agreement. Steve Mugg is Chairman of the Centennial project and will be forming a committee by this coming Spring and we will be looking for volunteers to
 1. Help develop the site which will include landscaping, fire pits building and development of the tenting area
 2. There are no plans for plumbing for toilets and BSA plans to install Porta Potty's which they will maintain.
 3. This is a two year project and Steve does not anticipate any work being done by members until the Fall of 2004 with completion a must by February 2005.
 4. Rotary International has approved the project as a Centennial Project and requires it to be:

Benefit the Community Hands on by Members Rotary Marker

Camp Rotary will be available to the Boy Scouts, Girls Scouts, YMCA, Church Groups and other Community organizations including the Rotary Club of MV. President Ross will ask the Board of Directors of our club to allocate \$15,000 for this project and the source to be from our surplus funds in our Charity Accounts. **This will be done at the next board meeting on Wednesday 7:30 am at the YMCA on December 10, 2003.** As is our policy, any member of our club is invited to attend our board meetings.
