Lend a Hand

SHARING ROTARY

You are asked to join the Mission Viejo Membership Committee.

Each and every member of our club is being asked to **Share Rotary** and stand before the podium! One member each week, before the guest speaker starts the program, (starting with our membership chairman), is being asked to **SHARE ROTARY**. Tell us why you joined, who was your inspiration, your sponsor, how you came to be invited, why do you continue to find Rotary rewarding, the fun and work of Rotary!

TELL US YOUR STORY

When we take this effort of keeping Rotary in our daily thoughts, we then take action by inviting a guest! It is strongly suggested that when you invite a guest that you pick up the guest and bring the guest to and from our meeting. This will not only give you the assurance of their showing but also gives you the opportunity of **SHARING** why they should consider the enjoyment of Rotary. Prospective guests can be an acquaintance, friend, neighbor, associate, business contact, customer, client etc.

BRING A GUEST

JACK WILL PHONE YOU

Our membership Chairman, Jack Wallace, will phone you, in advance, as to the day when you are to **SHARE ROTARY**.

You will receive a handout of the **20 Good Reasons** and brief statements by well known Rotarians. You can use this material as a guide in preparing your 5 to 10 minute talk. Your message will also be printed in your bulletin.

SHARING ROTARY SCHEDULE

March 9-Jack Wallace(See Jack's Message)

March 16th -George Cooper

The message is that we are asking for you to take the good feeling of Rotary out and about with you every day of the week. And invite a guest to Rotary!

Jack Wallace, Chairman

PS In the March 1st bulletin we published 10 of the 20 Good Reasons for belonging to Rotary. In this issue you will find the second 10 Reasons.

JACK'S MESSAGE

WHY I JOINED AND CONTINUE TO ENJOY ROTARY

"I am happy to be here with you this morning. I am starting off with this because this is how I feel on Tuesday morning at Rotary. I know that according to our finemaster, this is a \$5.00 fine, but it is worth it to me.

In the world of Rotary, in remembering the meetings we attended: it is said that we don't remember who the club president was but we always remember who introduced us to Rotary.

Approximately 29 Years Ago, I was introduced to Rotary by Dave Williams. Dave, the owner of the store next to my office, interviewed me and asked me to join him at lunch with his friends at Rotary. I had recently moved from an adjacent town and opened an office in Landsdowne, a suburb of Philadelphia.

Dave Williams picked me up and drove me to the meeting. He shared the following about why I should join Rotary: I was to have fun!! I was to meet leaders in the community!! I would learn from the interaction of myself and other club members!!! I would learn from the various speakers!! I would be challenged to give back to the community! I would have opportunity for social and business contacts. **My sponsor, Dave Williams was right on the mark!!**

What I actually received was all of the above, and a lot more that I did not expect!!

I have enjoyed 29 years of Rotary; meeting and enjoying many acquaintances and great friends. I have learned from these, and grown personally as well as professionally!! Thank you to Dave!! **Yes, I am happy to be a Rotarian!!** -Jack Wallace.

THE WELCOME MAT IS OUT FOR GABRIEL PATRICK

Welcome, Gabriel, to the rewarding World of Rotary!

MISTER FIJI!!

Nick can arrange travel for you anywhere in the world. He also does Incentive Travel such as Sales Contest Trips.

Rotarian, Nick "Mr Fiji" of Group Travel gave us a very interesting Craft Talk on his profession. Nick organizes group travel anywhere in the world including the Fiji Islands of which he feels very favorable towards hence the name "Mr. Fiji". Nick specializes in 3 destinations:

Fiji, New Zealand and Australia. He started his career with Allegheny Airlines which along with Mohawk and Lake Central became US Air. He has had some interesting group travel experiences including being responsible for the travel plans of the Little League World Series participants (from all over the world). Nick also gets involved in his destinations. For example, while in Australia, Nick spent 4 days with an Aborigine fellow, in the Outback, with only a supply of water (no food) and was taught how to survive on the land.

BROKEN SPOKES

WILL THE REAL DUMMY PLEASE STAND UP? AT&T fired President John Walter after nine months, saying he lacked intellectual leadership. He received a \$26 million severance package.Perhaps it's not Walter who's lacking intelligence.

DID I SAY THAT???

Police in Los Angeles had good luck with a robbery suspect who just couldn't control himself during a lineup. When detectives asked each man in the lineup to repeat the words: "Give me all your money or I'llshoot," the man shouted, "That's not what I said!"

10 More Good Reasons, for someone you know, to join Rotary See March 1 bulletin for first ten reasons

11. Entertainment

Every Rotary club and district has parties and activities that provide diversion in one's business life. Rotary holds conferences, conventions, assemblies and institutes that provide entertainment in addition to Rotary information, education and service.

12. The Development of Social Skills

Every week and at various events and functions, Rotary develops one's personality, social skills and people skills. Rotary is for people who like people.

13. Family Programs

Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

14. Vocational Skills

Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation, to serve on committees, and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

15. The Development of Ethics

Rotarians practice a 4-Way Test that governs one's ethical standards. Rotarians are expected to be ethical in business and personal relationships.

16. Cultural Awareness

Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of their cultures and learn to love and work with people everywhere. They become better citizens of their countries in the process.

17. Prestige

Rotary members are prominent people who are leaders of business, professions, art, government, sports, military, religion and all disciplines. Rotary is the oldest and most prestigious service club in the world. Its ranks include executives, managers, professionals — people who make decisions and influence policy.

18. Nice People

Rotarians above all are nice people — the nicest people on the face of the earth. They are important people who follow the policy of "it is nice to be important but it is important to be nice."

19. The Absence of an "Official Creed"

Rotary has no secret handshake, no secret policy, no official creed, no secret meeting or rituals. It is an open society of men and women who simply believe in helping others.

20. The Opportunity to Serve

Rotary is a service club. Its business is mankind. Its product is service. Rotarians provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else; to sense the self-fulfillment that comes in the process; and the return of that satisfaction to one's own life. It is richly rewarding.
