LENDING A HAND!!

BROKEN SPOKES

A kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work. As she got to one little girl who was working diligently, she asked what the drawing was. The girl replied, "I'm drawing God." The teacher paused and said, "But no one knows what God looks like." Without missing a beat, or looking up from her drawing, the girl replied, "They will in a minute."

SURE FIRE!!

Thanks to Bill Craycraft we heard and saw a demonstration of what the private sector is doing to train law enforcement as well military in our fight against terrorism. Former US Marine Sergeant John Standridge now representing the Sure Fire Mfg Co gave us a great insight in to the latest training and including the development of new weapons. Craycraft attempted to disarm the former Marine but as you can see in above photo, he was thwarted big time! Good try, Bill for a Vietnam Veteran!

10 Good Reasons, for someone you know, to join Rotary

- 1. Friendship**In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.
- 2. Business Development**The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other.
- 3. Personal Growth and Development**Membership in Rotary continues one's growth and education in human relations and personal development.
- 4. Leadership Development**Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: learning how to motivate, influence and lead leaders.
- 5. Citizenship in the community**Membership in a Rotary club makes one a better community citizen. The average Rotary club consists of the most active citizens of any community.
- 6. Continuing Education**Each week at Rotary there is a program designed to keep one informed about what is going on in the community, nation and world. Each meeting provides an opportunity to listen to different speakers and a variety of timely topics.
- 7. Fun**Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.
- 8. Public Speaking Skills**Many individuals who joined Rotary were afraid to speak in public. Rotary develops confidence and skill in public communication and the opportunity to practice and perfect these skills.
- 9. Citizenship in the World**Every Rotarian wears a pin that says "Rotary International." There are a few places on the globe that do not have a Rotary club. Every Rotarian is welcome — even encouraged — to attend any of the 29,000 clubs in 194 nations and geographical regions. This means instant friends in both one's own community and in the world community.
- 10. Assistance when Traveling**Because there are Rotary clubs everywhere, many a Rotarian in need of a doctor, lawyer, hotel, dentist, advice, etc., while traveling has found assistance through Rotary.

ADA MARCH!

Rotarian Christie Mathews gave a very important message to us at our February 24 meeting:

Thank you for allowing me to present the **American Diabetes Association Walk for the Cure**, taking place in Aliso Viejo on Saturday, April 17. As a reminder, there are several ways you can help: Be a Team Captain (or present it to your company) Be a Walker Be a Ghost Walker Volunteer Participate in the Health Expo (you do not have to present anything to do with diabetes – if you want expose to 600-1000 local residents, this is for you) Sponsor (or ask your company to) part of the event Donate items that are needed for the day's events Contribute to a walker (I am the team captain for the Mission Viejo Chamber of Commerce, and would be happy to add your donations to our team). Please let me know if you would like information on any of these options, or if there is any questions that you might have. Thanks again – you are a wonderful group & I am privileged to be part of our club. Have a great day!!
