INTERNATIONAL SERVICE

Dr Pushpa Chandwani takes more than a bus ride!!

"I had a great time going to the Polio Plus program organised by Santa Ana North Rotary Club. The Rotarians from Caborca Club entertained us well.

One day we went from door to door giving polio vaccine to children. I also got a chance to meet other Rotarians from different clubs. Jim Parson, our District Governor and Past District Governor, Judith Prather were there. It was a great experience!"

The Annual Trip of the Santa Ana North Rotary Club of CA to the Rotary Club of Caborca, Sonora Mexico was held during the weekend of Feb. 21-23, 2003. The Group was also able to participate in Caborca Mexico Annual Immunization Day. The Group was able to pass out Polio Drops to the children of Caborca and the surrounding area.

This is a continuing effort by Rotary Clubs around the world to immunization all Children under 5. So that Polio will not be present in any part of the world. INCOMING PRESIDENT ROSS BOLING REPORTS ON PETS (President Elects Training Program)....

The theme for next year is "Lend A Hand" and that is what Ross is asking each member to do to make our Rotary Year 2003-2004 the best Rotary year ever! Ross attended the seminar last weekend and came away very impressed and very excited with the program and became even more aware of the depth of Rotary around the world. Ross also reported about a new program called "Family of Rotary" to help us reach out to the extended families of deceased rotarians.
