## INTERNATIONAL SERVICE

Dear fellow Rotarians... I just returned from my trip to India. It was great being there and visiting my brothers and sisters I also took the opportunity to participate in our International Rotary projects in Thane East and Pune club.

As you all recall ,last year Rot.Karnik (president elect) presented school project where our both clubs could participate and hope to get matching funds from the district and the Rotary Foundation. Our club agreed to participate. and donated \$3000.Both the clubs worked hard to get the matching grants approved.the total grant came to \$14000.00 which will go a long way to do the improvements in the school in a poor part of Thane City.

I would like to thank all of you, for your support ,especially Richard and George for guiding me with the application process!  
I hope we will continue to do international projects especially in resource poor countries where our money goes a long way.  
I attended Thane East club on Dec 22nd and participated in their meeting...met pres.elect Satish Mane .they had a lot of questions about how we conduct our club meeting...about our centennial projects and community activities. On the 23rd morning Pres.Prafull picked me up to go to the school.They sure gave a warm and enthusiastic welcome and presented flowers. I met some of the trustees, the principal and some students. Coincidentally they also had a entertainment program, art exhibit and science project .I walked around the school and realized how much work it needed. The walls were dinghy, the fans sparse, old benches. the chemistry lab was the leanest in its equipment. Hopefully it will change in a years time. Prafull Karnik hopes to send us pictures periodically and hope to visit us.  
I feel very excited about the project and hope to visit the school in a years time. I also went to Pune to meet Rot.Krishna and his wife Praveena. We discussed our other project immunizing group of teenagers against Rubella. Dr.Desai from the Newport club is helping with that project.

## CLUB SERVICE

### The Chamber Speaks as the Voice of Business

Rotarian Heidi Larkin-Reed gave us an interesting Craft Talk on her work with the South Orange County Chamber of Commerce. Heidi's position in the chamber is that of Government Affairs Consultant. Heidi emphasized that business makes the difference in a community especially in its role in community service programs. Heidi is proud to say that our chamber is very active in business. For example, she works closely with Rotarian Jim Leach who is Vice President of Government Affairs for Cox Communication And Heidi has been very active in the past in government as she was elected the first mayor of Apple Valley. And in community affairs, Heidi belonged to the Rotary Club of Apple Valley and is a Past President of that Rotary Club. Now Heidi is offering her skills to our club and has accepted the responsibility of Community Service Director for 2005-06. Heidi's experience in Rotary also includes service in Membership, Community and International Service committees for her former Rotary Club. Heidi has a BA in Humanities. Heidi and her husband, Rusty now resides in Mission Viejo.

### The Welcome Mat is Out for Bob Brown

We welcome new member Robert J. Brown shown above being pinned by Co Sponsor Dave Leckness. The other Co-sponsor is Dave Rukstalis (peaking out from the side frame of the photo). PP Dave Rukstalis did the honors of inducting Bob at our Tuesday morning meeting on January 18th. Bob's classification is Investments and he represents Edward Jones Investments located at 27772 Vista Del Lago Suite B21 in Mission Viejo, CA 92692. Bob resides 30 Rue Fontaine, Foothill Ranch, CA 92610. Bob attended South Dakota State University and earned his BS in Electrical Engineering. Bob was a member of the Saddleback Valley Rotary Club for three years. He has joined us to better fit his business schedule, preferring to meet in the morning rather than noon. We welcome you Bob to the Rewarding Worlds of the Mission Viejo Rotary Club and look forward to your joining us in one or more of our SERVICE ABOVE SELF projects.

## VOCATIONAL SERVICE

### ROTARY SPEECH CONTEST

CELEBRATE ROTARY is this years theme for our District Rotary Speech Contest and our one contestant did an outstanding job in researching the history of Rotary and we all learned more from it!

Our participant is CHELSEA LUND from Mission Viejo High School and Chelsea will be representing us at the Area Speech Contest in March and hopefully will win honors to speak at our District Conference in May.

### TSUNAMI DISASTER RELIEF

Richard Frieder reports that he is keeping in touch with the Rotary Club of Colombo Regency in Sri Lanka where much is needed for Water Purification and Medicines. The next Board meeting will be presented with a proposal to donate \$5,000 from our club for these purposes. We also plan to establish a "sister club" relationship with this club so we can continue to help with projects.

### WOULD YOU LIKE TO ADD TO OUR DONATION?

If so contact Richard Frieder with either a check or instructions to have our Treasurer bill you.
