**Pictures from our Past**

The year was 1998 when this photo was taken of Rotarian Brian Cooper with some children in the Barrio. The conditions in this barrio prompted a World Community Home Building Service Project between the Rotary Club of Libano, Colombia and our club. A river runs through the barrio which is used for sanitation which ends up doing great damage to the environment. Dirt floors and leaking roofs are the norm for the barrio housing.

**HAIR CUT TIME!!...BRING ON THE SCISSORS!!!**

I have made a vow to the people of Libano and those families trying to survive in the Barrio that I will let my hair grow until the day comes when we start building new homes!  
Fr Brian's promise

Padre Brian with The Mayor of Libano, Doctor Laurantino Malagon with the BIG Scissors

**CONSTRUCTION BEGINS**

Here is a model house that we are constructing in order to determine all of the construction costs that we need to include when we are asking for the government subsidy. The Colombian government subsidy can pay for up to 70% of the total cost of the house.

**HELP FROM MISSION VIEJO ROTARY TO TSUNAMI VICTIMS**

Email Letter to Rotary Club of Regency Clombo, SRI Lanka

Dear Gehan:

Our club treasurer will be sending you a check for \$5,400.00 U.S. in the next few days. \$3,000.00 from our club charity fund and \$2,400.00 from individual members of our club(Mission Viejo Rotary). Please let me know when you receive the funds. We will contribute more in the months to come. It will be important that you keep me updated on how the money is being spent so I can inform the members, thus continue sending money in the future. I hope this will help relieve some of the suffering many of the people of your country have had to endure. Looking forward to hearing from you.

Yours in Rotary  
Richard Frieder  
International Chairman  
Mission Viejo Rotary

**Editors Note: Rotary Club of Colombo Regency, plans to implement the relief effort in phases in order for it to be effective:**

- Immediate Needs:** water and dry food items like biscuits, and canned fish, as displaced people are unable to cook meals just yet. In addition, basic medicines and clothing are also essential.
- Next:** Will be to provide dry rations, milk powder etc. as hopefully by that time people would have been moved into refugee camps.
- Next :** Conduct health camps to prevent/treat any outbreak in disease caused by polluted water and lack of proper sanitation etc at the refugee camps.
- Long Term:** Rebuilding life and property will take an enormous effort and will require worldwide help.

**CRAFT TALK  
Dr TOM MCKINNON**

New member Tom gave us a very interesting glimpse in to the Viet Nam War where he served in the medical field and his exposure to the dead and wounded reminding of us of the horrors of war. Though new to our club, Tom is not new to Rotary. In 1970 he became a member of the Huntington Beach Club and for the past twenty years was a member of the Laguna Hills (now Saddleback Valley) club and served as President .

Tom has a dental practice and his office is located in the Taj Mal Building,  
23521 Paseo De Valencia  
Laguna Hills, CA 92653  
Tom is married to Jeannine and they have two children and six grandchildren.
