LIBANO HOUSING PROJECT UPDATE

We are currently finishing up the water, sewer, and electricity installations as well as the necessary retaining walls in order to build the 30 homes. The next phase is to begin building the foundations for the homes which will cost about \$25,000. The families that will be receiving these homes have been doing all of the manual labor in moving dirt, rocks and sand in order to build the retaining walls. They have also been selling raffle tickets, picking coffee and donating money in order to help with the cost of putting in the house foundations. They have raised around \$5000 themselves which is quite an accomplishment for people who have very little income. This project has been an uphill battle but will be quite an accomplishment when it is finished. These families will move from squalor shacks into a very modest yet a greatly improved living situation. Government Engineers will be coming in February to inspect the installations and then in March the Colombian Government Grant people will be coming to inspect the work to date.

NEW MEMBERS INFORMATIONAL MEETING

Linda and Karl Blench opened up their home and hearts to our newer members in a special Rotary Informational Meeting on Sunday Night January 15, 2006.

Husband Karl's background included being a Chef in his homeland (England) so a pleasant surprise was given to all in attendance when they were served a sit-down dinner including some very gourmet dishes.

The new members in attendance were: Linda Blench, Randy Johnson, Paul Dyke, William Jimenez, Bob Pfaff, Jeff Rosenthal, Jack McEwan and prospective member Bill Greenfield.

The Informational Team in attendance; Jack Wallace, Bob Mc Queen, President Dennis and each of the Four Avenues of Service Directors, Jim Leach, Heidi Larkin-Reed, Dr Pushpa Chandwani and Gary Poertner, who each gave a talk about the activities and needs of volunteers and want of new ideas.

It was a very successful meeting which has resulted in new members volunteering for various committees.

Due to limited parking and limited space, we were only able to accommodate 16 members and for that reason spouses were not invited nor regular club members other than those serving on the Informational Team.

Thanks to all who helped and especially to Linda and Karl!

THIS IS ROTARY CLUB SERVICE IN ACTION!!

NOTES FROM THE BOARD MEETING

Mayor's Prayer Breakfast - Leach stated that the Prayer Breakfast will have different agenda this year. There will be speakers from more than one faith this time instead of a single featured speaker. Date of event is 5/03/06.

District Conference - Leach stated that the theme this year is "Vision of the Next Century of Service." Conference will be at the Doubletree Hotel in Orange. Hospitality will be in a large ballroom instead of individual suites.

Katrina Relief - O'Connor stated that he has been in contact with District Rotarian Jim Boyer. Jim was in Louisiana last week and he is continuing to search for a "good Project" for our Club.

Pancake Breakfast - Larkin-Reed met with her committee after this weeks regular meeting. Great ideas have been developed for the event at Esperanza School. Date of event is March 12, 2006. Committee is investigating possibility of making T-Shirts that include sponsor names to be worn by Esperanza students at the Olympics.

PROGRAM FOR TUESDAY JANUARY 24, 2006

CAPISTRANO UNIFIED SCHOOL DISTRICT

Tom Ressler, principal of Capistrano Valley High School was our speaker. Mr. Ressler gave a very enthusiastic speech about the Capistrano Unified School District and praised all the schools in our area.

He mentioned a little about the recall that failed but mentioned that all the schools in the CVSD are operating in a very spectacular manner and the restructuring was an attempt to make all the citizens of the Mission Viejo part united.

The CVHS has Advanced Placement courses, and International Baccalaureate program, Lap Top program, Wireless program, a new Animation course, Regional Occupational Program, and great facilities. He also said that if the District were to lose all its buildings they would soon be up and running because of the people who attend, teach and parents who support the schools.
