## LIBANO COLOMBIA HOUSING PROJECT FUNDING

President Dennis is shown feeling very good about handing a \$3,000 check to PP George for our Barrio Housing Project in Colombia.

These funds will make it possible to finish installing the electrical equipment and lines so that the Rotary Club of Libano can ask for a subsidy grant from the Colombian Government to start building the 30 homes.

## TIME OUT!!!

Fellow Rotarian Cathryn "Cassie" Deyoung of the Laguna Niguel Club, passionately spoke to our club on Tuesday Nov 1st. Cassie called "Time Out" on traffic plans and is appealing for help in fighting against what "Cassie" feels are two bad plans: Drilling to Riverside and widening the Ortega Highway. Cassie's pet name for the projects are: "The Terrible Tunnel and The Ortega Nightmare" Both these projects, Cassie states are created by Riverside and North Orange county politicians who want to solve Riverside County's transportation problems at Orange County's expense by diverting traffic from Riverside to I 5 and I 405. Several South orange County cities have already joined Cassie in her fight and she asked for signatures via postcard which she distributed at the meeting.

The former Mayor of Laguna Niguel is also currently running for County Supervisor.

## THE MASKS OF SHYNESS

Our FineMaster, Dave Leckness was so shy doing his duty at our meeting that he had to wear several masks to face us! The usual soft spoken (?) Dave turned in to an unforgettable character and acted out his role with enthusiasm...so much so that when he auctioned the many masks, he became the highest bidder!

Thanks to new member Randy Johnson for his White Elephant donation of these Mardi Gras masks...Dave will be able to march down the French Quarters in all his glory and when he tweeks shoulders..no one will know him..the Masked Marvel of Mission Viejo Rotary!!!

### CLUB DONATES \$3,000 FOR MMR\* VACCINE

An appeal by Dr Raj Desai of the Newport-Balboa for combating Rubella in India was answered by our club. The \$ 3,000 check was made out to the Rotary Foundation as part of a Matching Grant involving several clubs in District 5320 and District 3130 in India. It is estimated that deaths due to measles in India are about 80,000 children a year .

For starters, the inoculations will begin in Pune with our Sister Club . You can read the full story in Novemebrs issue of the District News entitled **"PROJECT DEAF INDIA EXPANDS FOCUS"**

### A Tribute to our Veterans

#### WHAT IS A VETERAN?

**A Veteran is a man and woman who shares a Common love of our great nation. Love great Enough to put ones very life on the line to guarantee The way of life we enjoy today and to Secure that way of life for tomorrow's generations.**

**The title "Veteran" must be earned. It is a title That speaks of courage and sacrifice, compassion and heartbreak, and a belief in America's goodness and strength**

**All have worn their services uniform with honor And pride for our country's sake. America's Servicemen and women , became our nation's Veterans when they set their uniforms aside and Resumed their civilian lives.**

**They go on with their lives and keep their memories And medals tucked away. Although we can read Books, see movies, and hear stories, there are Veterans around us , and we may not even know who they are. We owe them our full support and sincerest thanks.**
